Description

Brand-new and ready for adventure, this BYD ATTO2 1.5 DMi Comfort PHEV is an exceptional demo vehicle from the 2026 model year. With only 250 kilometres on the clock, it's practically untouched and waiting for its new owner to experience the effortless glide of its automatic transmission and the versatility of its hybrid fuel system. This striking white SUV not only turns heads but is also accompanied by a partial service history, assuring you of its well-maintained condition. Built for those who crave both efficiency and style, this ATTO2 invites you to embrace the freedom of the road while enjoying the benefits of sustainable driving. Don't miss out on this fantastic opportunity to own a remarkable piece of automotive engineering.
